6. THE ADMISSION TEST

The admission test consists of a questionnaire (to evaluate motivations, academic background, interests, and extra-curricular experiences) and a subsequent individual interview to discuss the academic background and further explore professional projects, interests, motivations, extra-curricular activities, and interpersonal skills.

The evaluation of the academic background and questionnaire is entrusted to the Management of the RUME College. The decision of the Management is final and not subject to appeal.

The selection is based on merit criteria and the availability of places.

During the admission test, the structure of the Residence and its Educational Project will be presented.

The Management reserves the right to interrupt or not renew the place in the event of non-compliance with the internal regulations of the College.

7. FEES and SCHOLARSHIPS

To reserve a place in the College, newly admitted residents — and only for their first year of residence — will be required to pay a registration fee of €500.

If the candidate gives up the place after having paid the registration fee, the amount will not be refunded.

The annual College fee, covering the period from September 2025 to July 2026, is €12.100,00 , to which reductions will be applied based on the scholarships/contributions available:
